

Bulk Hose

407152B

EN

Used for dispensing oil, grease and lubricants.

Part No.

Hose Part No.	Description	Hose Size	Pressure Rating	
			PSI	bar
128862	Hose, bulk, 2000 ft (609.5 M), 1/8" ID	1/8 inch	3000	206.8

Important Safety Instructions

This Graco hose is designed and qualified for use with Graco field attachable fittings, Part Numbers 128561, 12562, 128563, 128564, or 128565. Read instruction manual 3A3159 for all applicable warnings and instructions. Save all instructions.

WARNING

SKIN INJECTION HAZARD

High-pressure fluid from hose leaks will pierce skin. This may look like just a cut, but it is a serious injury that can result in amputation. **Get immediate surgical treatment.**

- Do not stop or deflect leaks with your hand, body, glove, or rag.
- Check hoses and couplings daily. Replace worn or damaged parts immediately

To assure compatibility, it is the responsibility of the hose assembly fabricator to consult both the hose manufacturer's and their chosen fitting manufacturer's written assembly instructions or to consult the manufacturers directly before fabricating. This is particularly important before intermixing a hose and connectors from two different manufacturers. Always follow the manufacturers' instructions for proper preparation and fabrication of hose assemblies.
